

# The Poisoner's Handbook

## **Worksheet Three: Cyanides**

1. What are some natural sources for cyanide?
2. What were some uses of cyanides during the early 1900s?
3. What are some signs of cyanide poisoning visible on a corpse?
4. Why is cyanide lethal? What does it do once inside the body?
5. What did Norris and Gettler figure out about the death of the Jacksons?
6. Why did the prosecutors fail to win a conviction?
